Dear Ms. Ristich:

Re: Jamaican Canadian Association Community Centre

On behalf of the membership of the JCA I would like to express our sincere thanks and gratitude for your continued support. With the help of the Bank of Montreal our dream is becoming a reality.

The construction work is proceeding on schedule and is slated for completion mid-July. Our fundraising activities are continuing and so far we have raised \$305,000 with another \$110,000 in pledges.

Enclosed is our official income tax receipt and thanks again for your continued support.

Yours truly,

Jamaican Canadian Association
